

Ian / Ivan / Iwan / Ivanovitch

"Ein Tanz mit Ivanovitch". Presentation at a hotel.

"Ein letzter(?) Tanz mit Ivanovitch". Series of presentations at (luxury) hotels, for bank clients.

He gets spotted this way for a documentary.

Vice documentary.

'Ivan und die Suche nach Wahrheit'
Ivan and the search for truth

Extra where the DP or cameraman gets enervated by Ivan's ways. (Constant jumping forward.)

Likes rap ("presidential balling").

ADHD.

23 Stunden am Tag auf.

Cognitive enhancement drugs and acid.

"Tokens of trust". Another presentation.

Child genius. He specializes professionally in Bitcoin and cryptographic money for the banking sector.

"Inspired by Aynd Rand, he..." (documentary narration)

Girlfriend Martha. (He looks for her in the documentary by Vice.)

In one scene he sits on a bench in a park for children in their apartment complex. (Looking for WiFi, although the documentary interprets this as a pensive moment.)

Gold Institute then Toyota Institute.

Before that "Instytut Warszawa" (another economics-oriented institute).

He has a copy of the book :

Fiodor Dostojewski, bracia Karamazow 1. Classic dark leather bounding.

Ian has a Lähmung on the leg, nerve damage. Muscle spasm.

He likes board games.

Ivan macht Notizen den ganzen Tag.

Ivan's favorite coffee shops :

His favorite cafes are the Fairmont Hotel Vier Jahreszeiten (open free WiFi : "7 days" "pass"), Kulturcafe in a neo Greco-roman style building (open free WiFi : a major ISP and another, untested, Starbucks) and "Villa Viva" a new Hard Rock style cafe (open free WiFi).

Ivan is interpreted or was interpreted as high functioning autist, which he dislikes.

He wears simple clothes :

- middle grey jeans (PULL&BEAR Made in Bangladesh EUR 36 USA 4 MEX 26) and
- light grey sweatshirt (SHEIN Made in China SIZE S EU 36 US 4 95% Polyester 5% Elastane),
- light washed blue jeans jacket.
- black Under Armour backpack and
- a cotton cloth shoulder bag (OEKO TEX STANDARD 100 100% Baumwolle(Cotton)) with yellow and blue logo "SOLAR POWER". Sponsored by "ENERPARC" and "SolarWind". Which he got from some meeting, company...
- Middle length dark grey socks (SportSpar).

Him and Chester became quickly fairly good friends (unusual for Chester and a little bit less unusual for Ivan, since he has many friends/aquaintances).

Ivan has a 1,000 Euro bike (red, an unusual metallic rose creme shade), but makes most of his travel by foot with the train and public transport.

Ivan at Cambridge was a social, talk monster who could do high fly speeches non-stop. The first time Chester met him during lunch he gave up competing, knowing that his own route was traced.

Ivan makes notes all the time while outside. He has an encyclopedic knowledge.

Ivan has the craziest meetings.

Homeless man with black jacket :

- Haben Sie etwas zu essen, zu trinken, etwas ... irgendetwas.
 - Hast du ein Computer? Ich kenne ein paar gute Wlan spots / Ich könnte ein paar Wlan spots empfehlen.
- (keine Antwort)

Ivan worked for the online Latex - programming language - company before.

"Explore Bitcoins with Ian".

Padua.

Bitcoin meetups.

Barclays.

ps. the character of Ivanovitch is partly inspired by two real life figures, one person from Clare College and a German-Russian. (In addition to the author's own experiences).
